WORK EXPERIENCE

CONTENT CREATOR

YouTube | May 2012 – December 2016

- Established and self-operated a limited liability corporation under legal contract.
- Generated over five million unique web hits and established proficiency in several cross-platform video editing programs.
- Developed search engine optimization, branding expertise, and marketing strategies to promote content.

VIDEO PRODUCTION JUNIOR COUNSELOR

Palmetto Girls State | Columbia, SC | June 2016

- Selected to return to the prestigious leadership program as a member of the production team.
- Compiled daily highlight videos based upon hours of footage in a timely manner.
- Assisted with videography and photography throughout the duration of the program for over 400 delegates.

WEB AND PRODUCT DEVELOPMENT

eHouse Studio | Charleston, SC | February 2015

- Worked with the developers and design team of a leading start-up tech company on the business and technical schema.
- Developed front-end web development skills with HTML, CSS, and Javascript.
- Learned about digital/content strategy, technology integration, and analytics expertise.

COMMUNITY SERVICE

TEACH FOR LOS ANGELES TUTOR

University of Southern California | Los Angeles, CA | Spring 2017

- Served as a writing and reading tutor for underserved students within the nation's second largest school district.

JOINT EDUCATIONAL PROJECT INSTRUCTOR

Vermont Avenue Elementary | Los Angeles, CA | Spring 2017

- Developed a comprehensive classroom curriculum which utilized mindfulness and yoga practices to cultivate stress reduction and establish healthy habits for kindergarteners.

PEER MENTOR / TUTOR

Dream Center | North Charleston, SC | January 2015 – May 2016

- Fostered resilience in students from low-income backgrounds to encourage positive contributions to their community.
- Instilled fundamental concepts of Algebra, English, and Spanish to elementary and high school students.
